Dear Mr. Kempton:

Re: SLOCOG 2006/07–2009/10 Federal Transportation Improvement Program Amendment #13

We have completed our review of the San Luis Obispo Council of Governments' 2006/07 - 2009/10 Federal Transportation Improvement Program (FTIP) Amendment #13, as requested by your letter of April 7, 2008. This SLOCOG FTIP amendment modifies and adds transit projects.

We find SLOCOG's FTIP Amendment #13 was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 & 135, 49 USC 5303-5305, and 23 CFR 450. California Department of Transportation assures this amendment has met the financial constraint requirements included in our transportation planning regulations (i.e. 23 CFR 450.324(e) and does not adversely impact the FSTIP Financial Plan.

The SLOCOG FTIP Amendment #13 is approved and included into California's 2006/07 – 09/10 Federal Statewide Transportation Improvement Program (FSTIP); with the understanding the eligibility of individual projects is subject to the applicant's satisfaction of all FTA and FHWA administrative requirements.

If you have any questions regarding this determination, please do not hesitate to contact Ms. Michelle Noch of the Los Angeles Metropolitan Office at (213) 202-3953.

Sincerely,
